### Alan & Elizabeth Colquhoun Recommend...

*Elizabeth's favourite wine is the Cuvee Raventos Pinot Rose from Spain. This was Spain's first rosé cava made entirely from the stylish pinot noir grape. This brut cava offers a wide range of woodland fruit characters and a crisp citrus finish that give it notable personality and make it much appreciated for celebrating special occasions. Try it as an aperitif, of course, but also with salmon or even poultry. Let it match the most delicate raspberries and blackcurrants in your dessert... and tell us about it.*

*Alan's favourite wine is the outstanding Raimat Abadia. On our recent visit to Codorní Cellars I had the pleasure of tasting this wine in the beautiful surroundings within which it is produced. Raimat is one of Spain's most forward thinking wineries and their commitment to investment and research is all about maximising the yield from their truly exceptional fruit. Raimat Abadia is a predominantly Cabernet Sauvignon with Merlot and Tempranillo adding depth and flavour. Expect hints of plums and stewed fruit on the nose. Spanish winemaking at it's best !*
