THE HIGHROAD CHALLENGE

THE EVENT

A superb treasure-hunt style event that sees teams discovering the picturesque conservation village of Luss. The original setting for Take the High Road, teams will be working together and creating hilarious photos for office banter in weeks and months to follow!

HOW IT WORKS

Teams are equipped with a briefcase with their treasure hunt map, clues, funny props and a digital camera. Teams must work against the clock to find specific sites around the village, gathering information and items for the scavenger hunt along the way, whilst completing our hilarious problem solving and photographic challenges.

Luss is arguably the most picturesque village in the National Park with a beautiful beach looking across Loch Lomond to Ben Lomond and the mountains beyond.

LOCH LOMOND SPEEDBOAT CHALLENGE

THE EVENT

This is our favourite Loch Lomond team challenge style event! The boats depart in convoy from Loch Lomond, and each team must guide their speedboat and skipper to checkpoints on the idyllic, unspoiled beaches of the Loch's many islands. There they will participate in our superb activities and photo challenges.

HOW IT WORKS

Teams are equipped with challenge sheets, hilarious props and digital cameras and get a fantastic tour of this stunning landscape, whilst competing in our team challenges. It can be very team building focused, with lots of problem solving, or it can be more of a reward event with action packed activities on each of the islands. We have featured everything from Highland Games to clay pigeon shooting and even helicopter castle hunting!

Mini Highland Games

THE EVENT

The heavy athletics of the Highland Games, designed to keep clan warriors strong and ready for battle, are instantly recognised the world over! We've included some of the traditional pursuits and some really good fun adaptations of them, which work brilliantly on the beach at the front of the Lodge on Loch Lomond!

HOW IT WORKS

The group is split into Clans and rotated around our super themed challenges, with around 15 mins at each. These include Tossing the Caber, The Highland Fling Challenge, Nessies Footprints, Throwing the Welly, The Crazy Highlander and much more! The challenges are designed to get teams interacting and working together, and always provide a great deal of hilarity! They are all a little bit physical, but nothing too strenuous. This is an outdoor event which can be run in any suitable space!

FORMULA FUN GRAND PRIX

THE EVENT

We bring our very own 'Knohill Racing Circuit' to Lodge on Loch Lomond! This fantastic challenge demands communication, creativity and team work as teams compete to be crowned the newest Formula Fun Champions!

HOW IT WORKS

The event is split into three parts: 'The Pitch' where teams pitch their team name, brand, strapline and logo to potential sponsors to win high-tech materials to upgrade their Whacky Racer; 'The Build' where they use the high-tech materials provided to turn their pedal karts into slick, stylish formula fun racers; and 'The Race', where the two fastest drivers from each team compete to be crowned Grand Prix Champions!

I'M A... EMPLOYEE, GET ME OUT OF HERE!

THE EVENT

Based on the hit TV show, this superb team building challenge is perfect for bringing people out of their comfort zone! Transport your team out of the office and into the jungle to take on our fantastic themed challenges: recreate the sound of the outback with our didgeridoo and jungle drum challenge; sample crocodile, kangaroo or frogs legs in our up-market bush tucker trial; handle snakes, reptiles and tarantula; and even learn the art of fire dancing!

HOW IT WORKS

Your group is split into teams and rotated around our challenges. Teams are awarded yellow stars for their performances, with the winning team declared champions! Our team will also be looking out for the top male and female performer to crown King and Queen of the Jungle!

007 CHALLENGE

THE EVENT

A thrilling team challenge event – think 4x4's, speedboats, helicopters, Bond girls and international crime lords! The mission is on, to track down the Bond girls (our character actors) and gather crucial information, which will foil the international crime lord's plan. There are always spectacular twists along the way!

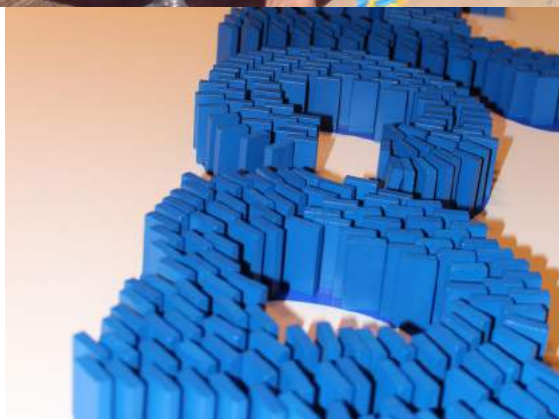

HOW IT WORKS

Following a briefing by our very own 007, each team gets a chauffeur driven or self driven fully loaded 4x4, challenge sheets, briefcase, digital camera and lots of funny bond themed props. They then set off to complete a series of tasks and challenges on land, on the loch and in the air, racing against the clock to beat the Bond baddies!

DOMINO RALLY EXTREME

THE EVENT

The ultimate test of team work, patience, creativity and steady hands! The challenge is on to create the world's biggest domino rally (probably!) against the clock with the materials provided.

HOW IT WORKS

Each team gets an 8x4 MDF platform, 1,000 dominoes and a selection of crazy stunt pieces – rockets and planes that launch, cars that loop the loop and lots more!. They must link up with the next teams effort, going all the way around the room and finally taking down your massive company logo built from dominoes in the centre of the space. Teams are scored on design, flair and creativity and deducted points each time the rally stops!

4 X 4 LOCH LOMOND ADVENTURE SAFARI

THE EVENT

For guests who love the outdoors, this is a great opportunity to experience the stunning landscape around Loch Lomond. We have an exclusive off-road driving range located 5 minutes from Lodge on Loch Lomond, which offers superb views of the Loch and surrounding area.

HOW IT WORKS

Guests will be collected from Lodge on Loch Lomond by our fleet of Land Rovers and driven to our course. Split into groups of four or five, everyone will have a turn behind the wheel, with our instructors teaching them to tackle the increasingly progressive terrain. The group will make their way through the course to the top of the hills for a break and a wee dram while they enjoy the panoramic views of the Loch.

CLAN WARRIOR EXPERIENCE

THE EVENT

This is the perfect surprise activity to add to any Scottish event! Wherever your guests are from they will be captivated by our fantastic warriors! The experience works perfectly indoors or outdoors, and is a great addition activities like the Speedboat Challenge.

HOW IT WORKS

The Warriors surround the guests, storming the room and catching them completely by surprise, bursting into a thrilling and energetic battle re-enactment. They provide a fantastic display of engaging entertainment based on the ancient dress, weaponry and dance of the Scottish clansmen and women. Guests will be dressed in full, traditional clan dress and given the chance to try out the ancient weapons from the days of clan battles.

SUPERCAR EXPERIENCE

THE EVENT

Perfect for a reward or incentive, this is a once in a lifetime opportunity. Guests can experience driving like never before with our impressive fleet of supercars, consisting of the Lamborghini Huracán, Porsche 977 Turbo, the Audi R8 and the phenomenal Ferrari 458 Italia, to name but a few.

HOW IT WORKS

Just to the north of Lodge on Loch Lomond are Scotland's very best driving roads, which also happen to be some of the most scenic in the UK. Guests will head up Loch Lomond-side, following the lead car, all in communication over the two-way radios. You will stop along the way to swap cars and appreciate the scenery at famous beauty spots such as the 'Rest and be thankful', Loch Fyne, Inveraray, Loch Awe and Crainlairich, before returning to Lodge on Loch Lomond. We can tailor the experience to suit your requirements, or include it as part of a larger event.
