

PREFERRED SUPPLIERS LIST

We are delighted to present our preferred suppliers list.

This list comprises of a wide range of suppliers, all of whom we personally recommend and have come highly recommended by guests who have either got married or who have held special events with us. These suppliers have built a strong relationship with the hotel and operate within our guidelines to protect the fabric of our building whilst adhering to our health & safety and operational procedures. The safety of our guests and venue is paramount and these businesses are fully aware of the restrictions and limitations we have. Whilst we do prefer you to use our preferred suppliers you can of course make arrangements with your own however we request that they contact us well in advance of your event to provide their insurance certificates and risk assessments and suggest they arrange a site visit with one of our team in advance of their work for you before being confirmed.

**

Any ceiling décor must be arranged via Loch Lomond Weddings & Events who have the necessary framework already in place to support and meet with our H&S guidelines and operating procedures.

**

The hotel will not accept responsibility for any missing décor items following your event – these are solely the responsibility of the décor company providing them.

Additional supplementary charge of £3pp to have drinks trucks and £5pp for food trucks - you must check with the wedding co-ordinators before booking any other food/drink suppliers that are not on this list.
