"A perfect New Year break! Can't wait to go back! My husband and I booked the 3 night New Year package and I can wholeheartedly say that it was perfect in everyway! The views really were to die for and we never got bored of it! The staff were extremely friendly, professional and accommodating and really did their best to make everyone's time special. There was a fantastic atmosphere and dancing with a DJ and the piper at midnight. The food throughout our stay was consistently very good and I cannot praise the chefs enough!! A fantastic choice for breakfast and plentiful to start the day and 3 course meals every night, cooked to perfection! Activities were also a lovely touch, a guided walk around Luss with a friendly and knowledgeable guide, cocktail tasting, whiskey tasting and a cook off! We really had the most relaxing and lovely time at the Lodge we would definitely book again for New Year!" **Reviewed January 2022**
