Any amendments to the final event synopsis after the final 6-8 week meeting, must be made in writing and replied by a member of the events team to confirm changes have been received.

Accommodations

We recommend provisionally reserving as many rooms as you think you will require for your Wedding night and night prior – it is your responsibility to provisionally book these rooms to avoid disappointment at a later stage, our rooms are on general sale at all points.

Ensure your priority guests/immediate family have a name against a room as soon as you possibly can, ask them to make contact with the hotel to pay their 25% deposit which confirms their reservation, all other guests can then make contact to book their room from your group on a first come first served basis.
