Accommodation

WEDDING GUEST ACCOMMODATION

Arranging the accommodation for your Wedding guests
can sometimes be all consuming.

We want you to focus on the arrangements
for the Wedding Day itself
and have provided what we consider
a comprehensive guide of helpful hints overleaf
to assist you with the planning.

WEDDING GUEST ACCOMMODATION

1. Please don't take on the full responsibility of your groups accommodation requirements – you have a fabulous day to arrange and enough to do with all the other arrangements involved and your guests can look after themselves via our Reservations Team. Just ensure your priority family/friends have their name against a room as soon as you possibly can then ask them to make contact with the hotel to confirm their reservation and pay their deposit. After this point all other guests can make contact for their own arrangements and we will allocate to your group booking again paying their deposit.

We can give you an up to date guest/rooming list at any point by simply emailing weddings@loch-lomond.co.uk

2. We do however recommend provisionally reserving as many rooms as you think you will need for the night of your Wedding and the night before – availability can change very quickly and this helps avoid any disappointment at a later stage. It is your responsibility to provisionally reserve as many rooms as you think you will require as our rooms are on general sale at all points.

3. Any rooms provisionally reserved can be held until 3 months prior to your Wedding date when we will require a definitive confirmation/release on things. We may need to ask for confirmation/release earlier.

4. We will agree and confirm a preferential Wedding bed and breakfast rate for your guests at the point of confirming your Wedding booking – this preferential rate is set up to ensure your guests all enjoy the same rate however is not room specific and it is easier to just specify doubles or twins rather than room type which then becomes very complex.

5. There are 19 bedrooms within our Munro Lodge/McMillan Suite building (the breakdown of rooms is 2 x 2 bedroom Cuillin Family Suites, 1 x 1 bedroom Travis Suite, 16 x double bedrooms). When booking our McMillan Wedding Package you are committed to all of these bedrooms.

6. There are 29 rooms within our main hotel building. (there are 1 x 1 bedroom suite, 23 twin/doubles and 5 doubles)

7. Guests calling to make their reservation - 01436 860201 or email res@loch-lomond.co.uk - room deposits are 25% of the overall room rate which is non-refundable – they pay the remainder of their charge when staying at the hotel.

8. Early night arrivals for McMillan Suite Weddings will more than likely require a room move from the main hotel building to the Munro Lodge on the Wedding night – we do endeavour to avoid this where possible and can advise much closer to the time, this is due to the fact that the McMillan/Munro Lodge is an exclusive arrangement and we can have back to back Wedding bookings taking place.

9. When booking the McMillan Suite Wedding Package – if there is any shortfall to the 19 rooms being booked then the Bride/Groom are responsible for the charge.

10. Check-in time is 3pm and check out is 11am. It is not possible to provide for early check-ins for weddings however we will always assist with somewhere to change if arriving early. (We would always recommend booking a room the night prior to the Wedding for the easiest option of getting ready on the day).

11. Our Wedding packages include a complimentary room for the night of your Wedding, select any room or suite for your complimentary wedding night stay and the remaining Suites would incur an £80.00 supplement to your special Wedding Rate.
