### Accommodations

We recommend provisionally reserving as many rooms as you think you will require for your Wedding night and night prior - it is your responsibility to provisionally book these rooms to avoid disappointment at a later stage, our rooms are on general sale at all points.

Ensure your priority guests/immediate family have a name against a room as soon as you possibly can, ask them to make contact with the hotel to pay their 25% deposit which confirms their reservation, all other guests can then make contact to book their room from your group on a first come first served basis.
